ARABIC TEACHERS' TRAINING WORKSHOP

07 - 11 September 2026
@ Kariavattom Campus
University of Kerala, Thiruvananthapuram

Arabic Teachers' Training Workshop

As part of its Silver Jubilee celebrations, the Department of Arabic, University of Kerala, is organizing a five-day national level workshop on "Arabic Teachers' Training Workshop" from 07th to 11th September 2026. This workshop is designed to equip educators with contemporary language teaching curricula, leadership capabilities, AI-supported instructional tools, educational psychology, student-centric methodologies, and vital life skills to significantly elevate Arabic language education.

The training workshop is crucial for equipping teachers with contemporary pedagogical methods, digital resources, and assessment techniques to enhance language instruction effectively. Kerala has approximately 6,000 Arabic language teachers in the government sector, highlighting the urgent need for structured training in language teaching and essential soft skills. Many graduating students from our department, along with alumni, exhibit a strong passion for teaching. The department has previously conducted similar workshops, significantly impacting both teachers and students. The workshop is aimed to impart lessons to the participants with regard to:

- Curriculum of Arabic Language Teaching
- Teacher as a leader
- AI supported Teaching and Learning
- Teaching Psychology
- Student Centric Approaches
- Life skills

Day 1 (September 7 - Monday)

Two Sessions (09.30 AM - 12.30 PM & 01.30 PM - 04.30 PM)

Facilitator:

Zuhair Sirius

Topic: **Artificial Intelligence in Classrooms**

Synopsis:
Discover how AI can enrich teaching and learning through lesson planning, assessment, personalized learning, classroom engagement, and productivity, while promoting ethical, responsible, and effective use of AI in education.

Day 2 (September 8 - Tuesday)

Session: 1 (09.30 AM - 12.30 PM)

Facilitator:

Shareef Panakkode

Topic: **Conflict Resolution & Work–Life Balance**

Synopsis:
Teaching is a profession that demands emotional resilience and personal balance. This session explores practical strategies for managing workplace conflicts, reducing stress, fostering healthy relationships, and achieving a sustainable work–life balance for greater effectiveness and well-being.

Session: 2 (01.30 PM - 04.30 PM)

Facilitator:

Nasar Mayyannur

Topic: **Language and Communication in the AI Era**

Synopsis:
As Artificial Intelligence transforms the way we communicate, teachers must adapt their language and communication practices. This session explores effective questioning, digital communication, ethical AI use, and strategies for developing students' communication skills in the AI era.

Day 3 **(September 9 - Wednesday**

Two Sessions (09.30 AM - 12.30 PM & 01.30 PM - 04.30 PM)

Facilitator:

Sirajudheen Parambath

Topic: **21st Century Skills for Teachers**

Synopsis:
Today's teachers are expected to nurture creativity, critical thinking, collaboration, communication, digital literacy, adaptability, and lifelong learning. This session provides practical strategies for integrating these essential competencies into everyday

Day 4 **(September 10 - Thursday)**

Two Sessions (09.30 AM - 12.30 PM & 01.30 PM - 04.30 PM)

Facilitator:

Sirajudheen Parambath

Topic: **Understanding Today's Learners: Gen Z & Gen Alpha**

Synopsis:
Understanding the mind-set, values, learning preferences, and behavioural patterns of today's learners is essential for effective teaching. This session explores generational characteristics, student psychology, motivation, and practical strategies for engaging and inspiring Gen Z and Gen Alpha learners.

Day 5 **(September 11 - Friday)**

Two Sessions (09.30 AM - 12.30 PM & 02.00 PM - 05.00 PM)

Facilitator:

Niyas Shareef

Topic: **Building Teacher–Parent Partnerships**

Synopsis:
Success thrives on a strong partnership between teachers and parents. This session focuses on building trust, enhancing communication, managing difficult conversations, and fostering meaningful collaboration to support every learner.
